PROSPECTOR POOP

The never ending journal of the Prospectors Motorcycle Club

September 2014

Prospector Family:

Thank you for honoring my son, and Rich Caselli's son, Kurt Caselli today.

Kurt was born into the Prospector Motorcycle Club and Rich and I knew it was a good off-road family club to belong to. Kurt learned to ride and race with the help of many good men and women belonging to the Prospectors.

Thank you for your support for the last 40 years of camping, riding, racing, and friendship. Rich and Kurt would be proud to still be called Prospectors.

Ride safe and most of all, have fun.

Sincerely,

Nancy Caselli

Nancy Caselli at our motocross event

MOTOCROSS! Sunday, July 20th, was our annual motocross event at Quail Canyon and it was also Round 6 of the AMA So Cal MX Series. We hosted an awesome event that attracted 236 entries, which is a good number these days and is 40 more than we had last year.

This event has always been a fund raiser to help send Kurt Caselli and the American World Trophy Team to the Six Days, and now it is a fund raiser for the Kurt Caselli Rider Safety Foundation. Nancy Caselli was there and spoke with everybody about the foundation and the work they are doing, and a great many items were auctioned-off. It must be said that this event was a success.

We have been lucky the four years previous to this in terms of the weather as we have avoided killer heat. Sometimes Quail Canyon is 105 degrees in the shade during the summer and this year we got... cloud cover with a breeze! Again! It even drizzled on Saturday afternoon and the track conditions were most desirable - more loam and traction than usual, ya gotta love it. We rode practice Saturday during the day and track prep that evening made it even better.

Pot luck dinner! Thank you to our chefs and everybody who brought a side dish to the pot luck, it was most tasty. To all of our members who were not there - you missed it. Our motocross event went very well and thank you to everyone who came out and helped. There were more racers bumping into each other and falling down compared to what we normally see, but nothing serious and no real injuries.

CLUB MEETINGS: Our next three club meetings will be Tuesday evening, September 9, October 7 and October 21. Kurt's Clubhouse can be found at 4100 Stevely Avenue, Lakewood CA 90713.

Next club newsletter will be mailed October 7, will have info about our GP in November, and please see pin-up calendar for what happens when. The new 'Sky Shot Triple' section of the motocross track will be completed by then, so we are guessing that you will be there to help us work the event.

Can't make it? Be advised that Wildman Domestic Research Labs will soon be testing which wakes people up from a sound sleep at 3:00 am quicker, a two-stroke or a four-stroke? Wildman tells us that the first test group will be unsuspecting homeowners.

Our motocross event scoring crew - from left to right - Nancy Rauen, Anna Hintz, Brooke Levine, Nikki Tweet, Dana Slater, and Ted Tweet

Caution flaggers at the top of the track - Hoser Steve, Steve Cole, and Kurt Hintz

HERO POINTS: Nancy Caselli presented us with a considerable donation back in April and we will use these funds for a trick EZ-UP type shade assembly or something of that nature. Thank you to Nancy for that and also thank you to Mike Carlsen for his recent postage donation.

Race action at our motocross event

INSERTS: We have two inserts this month, one from President Steve and also the event flyer for the Shamrocks desert event at the Slash X at the end of September. Steve's letter summarizes our motocross event and discusses our upcoming GP, and the Shamrocks event is well worth going to and a lot of fun. The Slash X is running wide-open and serving up great burgers and other good stuff.

Sizzled,

Tom Marshall
